

IN THE UNITED STATES DISTRICT COURT FOR
THE EASTERN DISTRICT OF VIRGINIA
ALEXANDRIA DIVISION

UNITED STATES OF AMERICA

v.

KHOSROV SHAPOORIAN,

Defendant.

Case No. 1:23-mj-90

Case No. 1:23-po-30

JOINT STATUS REPORT

On May 25, 2023, the Court in case 1:23-mj-90 instructed the United States and defense counsel to meet and confer on a status date, pending the defendant's release from the hospital. ECF No. 14. The parties now submit this joint status report and request that a status conference be scheduled for Tuesday, September 26, 2023, or a similar date of the Court's preference. The parties have agreed upon an alternative disposition plan, where if the defendant remains complaint with pre-trial supervision and does not return to the CIA, the United States will dismiss without prejudice both 1:23-mj-90 and 1:23-po-30 prior to that scheduled status conference. Case 1:23-po-30 is currently scheduled for a status conference on August 24, 2023, and the United States requests that the Court reset that case to the same date that the Court chooses for the 1:23-mj-90 status conference.

This agreement takes into consideration medical information provided by defense counsel to the United States. The United States reserves the right to re-file the charges to be dismissed if the defendant again returns to the CIA without authorization.

Respectfully submitted,

Jessica D. Aber
United States Attorney
